P/21/013 **Representations from Members of the Public: To receive and act upon, if considered necessary by the Committee, comments made by members of the public either in person, or in writing provided they were sent via email to the Clerk no later than 4pm on 9th February 2021.**

The Committee heard representations in relation to its [letter of objection](#) dated 19.11.2020 regarding application 20/02674/FUL | Installation of fence on the south-west boundary. | Fairfield Chalk Road Ifold Loxwood RH14 0UA.

The applicant explained that the fence is required to afford the property better privacy and security. The property's garden

boarders Plaistow Road and overlooks the bus stop. The applicant cited other examples of Close Board fencing in Ifold. A Highways 'Stopping Up' order has been applied for, as part of the land within the application belongs to WSCC Highways. However, in principle, no additional safety concerns have been raised by the [Highways Department](#).

The Parish Council remains concerned at the height of the proposed fence (2.1m) and its urbanising impact upon the street scene. Discussions centred on various planting options and configurations; however, the property boundary includes a ditch and other trees which, according to the applicant, precludes the fence from being run inside the boundary. Members of the Committee disagreed with this assessment.

The Council confirmed that all previous public consultations on the subject have demonstrated firm support for maintaining the areas rural characteristics. Both the draft Neighbourhood Plan (currently with the Examiner further to the final public consultation at Regulation 16 stage) and the Parish's Village Design Statement (currently with CDC for adoption as supplementary planning guidance) resist the use of Close Board fencing as harmful to the settlement of Ifold, in particular.

The Committee sympathised with the applicants privacy and security concerns, however must remain consistent in its approach, both in terms of its official planning documents (Neighbourhood Plan and VDS) and responses to similar planning applications as a Statutory Consultee.

Therefore, it was **RESOLVED** to **MAINTAIN ITS OBJECTION** in relation to the application.

Dear Mr Whitby,

Re: 21/00042/TPA | Remove 2 no. branches on south-east sector on 1 no. Oak tree (T2) within Group, G1 subject to PS/03/00837/TPO. | 3 Sylvania Copse Plaistow Road Ifold Loxwood RH14 0TU

Further to a meeting of the Planning and Open Spaces Committee on 9th February, I write to advise you that Plaistow and Ifold Parish Council has some concerns regarding this application.

In relation to reducing the two branches on the Oak Tree T2 in the South East corner, the Parish Council makes No Comment.

However, in relation to Tree T1 the application offers no other justification for felling other than to remove an oversized tree which overhangs a neighbour's boundary and causes excessive shading. The Parish Council therefore OBJECTS to the proposed felling. The Parish Council respectfully suggests that a more measured and sensible cause of action, to alleviate the overhang and shading to a neighbouring property, would be to cut back the problematic branches.

Dear Ms Baker,

Re: 21/00077/FUL | New entrance gate at Oxencroft (retrospective). | Oxencroft Ifold Bridge Lane Ifold Loxwood RH14 0UJ

The Parish Council considered the above application at its Planning and Open Spaces Committee meeting on 9th February 2021.

The Parish Council OBJECTS in the strongest terms to this retrospective application.

The imposing gates are out of keeping in the rural area and fall outside of the settlement boundary for Ifold.

The access is immediately adjacent to bridleway number 3615 and the 28-foot-wide opening is disproportionate to all other entrance points in the surrounding area.

The Parish Council is genuinely concerned that should permission be granted it could set a dangerous precedent for other inappropriate development within the Parish, which is harmful to the countryside, neighbouring visual amenity and street scene.

Whilst Ifold Estate Limited (IEL) is a separate entity to the Parish Council, the Council supports IEL's objection in relation to the development encroaching onto land not in Oxencroft's ownership.

The Parish Council respectfully draws the Planning Officer's attention to the site plan as presented, which does not accurately reflect what is currently on the site. The Parish Council respectfully requests that this is further investigated by Enforcement and that the Planning Officer does due diligence and informs themselves of the accurate current situation.

The Parish Council is disappointed and unimpressed with the underhand tactics of the applicants in the face of such concern and unease within the local community. The Parish Council does not like to see planning and/or enforcement processes being undermined and flouted in such an obvious manner.

The original application was withdrawn by the applicants prior to a final decision and then, almost immediately, work started on site and we are now presented with a retrospective application. Should the Local Planning Authority grant retrospective permission, serious questions need to be asked regarding the usefulness and necessity of planning processes and procedures and the precedent this will set for the future, not only in this area, but in general.

Yours sincerely

Dear Ms Baker,

**Re: 21/00054/DOM | Replace garage double door with 4 panel bifold doors. | Fairfield Chalk Road
Ifold Loxwood RH14 0UA**

The Parish Council considered the above application at its Planning and Open Spaces Committee meeting on 9th February 2021.

On the condition that the garage remains for the purposes of vehicles and general storage and the replacement 4 panel bifold doors are required to secure the garage and provide better insulation for the items stored therein, the Parish Council has no objection to the proposal.

Yours sincerely
