Any other relevant additional information to support your application?

Although we are located in an adjoining parish we provide facilities to all local parishes, and many of our members are citizens of Plaistow or Ifold.

We are currently making strenuous efforts to live within our income, but are vulnerable to unexpected costs. The recent need to maintain the defibrillator is one such.

I have read the Grant Awarding Policy and agree to the terms and conditions outlined therein, particularly contained within paragraph 8.

I enclose a copy of the most recent audited accounts and a current bank balance.
