

Round 1 – Quizmaster’s Choice – ‘A Bit of Culture’

Round 2 – Letter Link

When you get to question 8, the final letter of that answer will be the same as the first letter to the answer to question 1, thus completing the link.

Round 4 – Connection

This round consists of 7 general knowledge questions where the answers all have a common connection. For question 8 you simply have to work out what the connection is between the previous 7 answers. All your answers should obviously fit the connection; if you find yourself looking at an answer that doesn't obviously fit the connection then it's either very obscure or, more likely, you've got the wrong answer and you'll need a bit of a re-think!
