29 November 2023

**To:** PLAISTOW AND IFOLD PARISH COUNCIL  
C/O Clerk Catherine Nutting

## QUOTATION

### TO REPLACE MISSING FINGER ON FINGERPOST BY PLAISTOW CHURCH

Supply new painted hardwood finger fitted with 62 high-quality acrylic letters/numbers  
secured by brass screws  
Fit to bracket using stainless steel fixings

Wording to be used: BILLINGSHURST 7  
HORSHAM 13  
LOXWOOD 3

**PRICE incl all parts and materials £400**

### ALTERNATIVE OPTIONS

#### Omit distances.

This will enable the finger (which overhangs the pavement) to be shorter and therefore less likely to be hit by a large vehicle which is probably what happened to the missing finger. It would however mean that it would be inconsistent with the other 2 fingers which do show mileages.

**PRICE £380**

Use aluminium letters instead of acrylic

**PRICE £635 or £590 if mileages omitted**

Unfortunately the cost of new metal letters is very high compared to top quality acrylic ones and this double-sided finger has 62, a high number of them.
