

GRANT AWARDING POLICY

1. Policy aim

- 1.1 **Plaistow and Ifold Parish Council** (the Council) recognises and values the important role local groups, organisations and charities play in creating and improving quality of life for parish residents.
- 1.2 To support and promote community wellbeing, the Council's annual budget includes a specified sum for the purpose of grant funding.
- 1.3 If the Council does not have a specific legal power with which to award grant funding to support an applicant's endeavour, the Council is empowered under s.137 Local Government Act 1972 to incur expenditure, subject to limits and regulations, on discretionary matters authorised by resolution which it considers to be *'in the interests of, and will bring direct benefit to, their area, or any part of it, or all or some of its inhabitants'*¹.
- 1.4 All grants awarded by the Council must be in the interests of, and bring direct benefit to, the area, or any part of it, or all or some of its inhabitants.
- 1.5 Grant applications which further the aims, priorities, and objectives of the Council and that are in accordance with this Grant Awarding Policy ('the Policy') are welcome; and the amount awarded will be commensurate with the benefit to the community.
- 1.6 The Policy sets out the fair and transparent process the Council will follow when making its decisions to award grants to local groups, organisations and charities which contribute to the welfare of the community.

2. Priorities of grant awarding policy

- 2.1 The Council awards grants, at its discretion, to local groups, organisations and charities which can demonstrate a clear need for financial support to achieve an objective which will benefit the parish, or its residents by:
- Providing a service
 - Enhancing the quality of life
 - Improving recreation and/or sports
 - Improving the environment

¹ s.137(1) Local Government Act 1972

3. Who can apply?

3.1 The Policy applies to any local group, organisation or charity which falls within the eligibility criteria set out at paragraph 5 below, which is based in or benefits the residents of Plaistow and Ifold or the parish area.

4. Key Principles

4.1 The Council's Policy is based on the following key principles:

- Grants are payments made by the Council to local groups, organisations, or charities for a specific purpose and where it can be clearly demonstrated how funding will benefit and promote the wellbeing of parish residents and/or the parish area.
- The benefit to the parish area and/or its residents must be commensurate with the expenditure.
- Applicants should operate under the Equality Act 2010 whereby all individuals have reasonable, potential access to the activities, facilities or services offered by them.
- Projects should demonstrate sustainability and/or long-term value for money.
- Applications must be made on the Grant Awarding Policy Application Form ('the Application Form') and supported by the requested evidence.
- An overall limit for the annual provision of grant funding will be determined by the Council, in accordance with legislation and regulations, as part of the budget setting process (January).
- Retrospective applications will not be funded i.e., where the expenditure on the project has been carried out.
- Applications should be made for 'one-off grants' that will not result in any recurring expenditure for the Council.
- Grant awards are subject to the availability of sufficient funds.
