PLAISTOW AND IFOLD PARISH COUNCIL RISK MANAGEMENT SCHEME

Financial Year Ending 31st March 2024

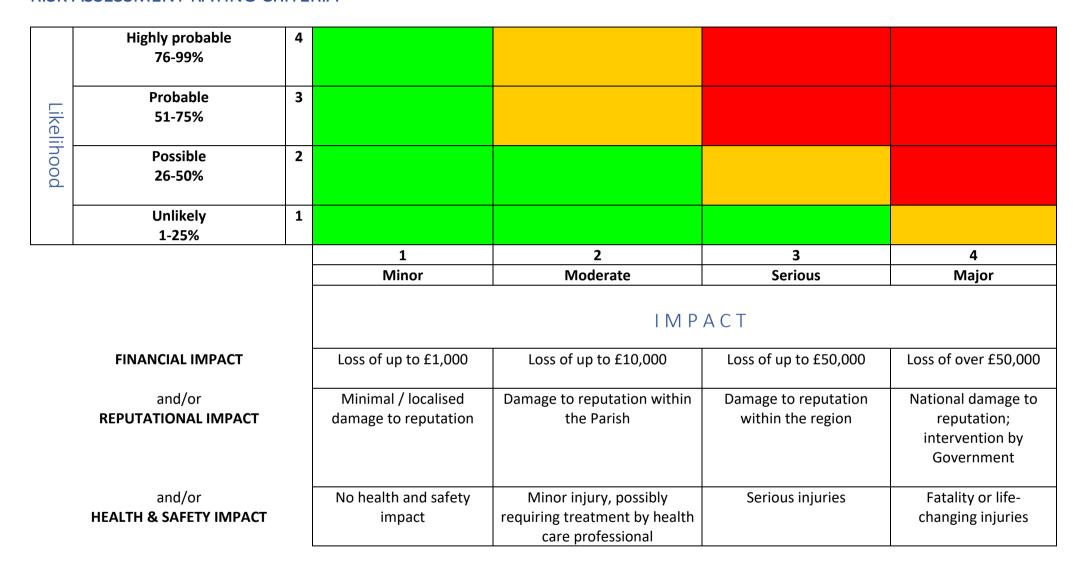

The management of risk is an important part of the Council's work; making sure that the people who use our facilities are safe, giving the staff the protection to get on with their work, and protecting the assets that the Council hold. Risk assessment happens all the time, but once a year, the Council brings the information together and collates it in a single document.

Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible.

This document has been produced to enable the Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them. The Parish Council is aware that although some risks can never be eliminated fully, it has in place a strategy that provides a structured, systematic, and focused approach to managing risk, which:

- Identifies the subject and identifies what the risk(s) may be
- Identifies the level of risk
- Identifies and evaluates the management and control of the risk(s)
- · Reviews, assesses, and revises procedures if required
- Identifies any relevant timeframe(s) and responsible party

RISK ASSESSMENT RATING CRITERIA

RISK APPETITE AND APPROACHES TO MANAGING RISK

	Highly probable 76-99%	4		TREAT (take action to reduce risk exposure by introducing measures / controls)		that generates the risk)
Likeli	Probable 51-75%	3				
Likelihood	Possible 26-50%	2				
	Unlikely 1-25%	1	TOLERATE (an informed view reached that the risk is accepted)			TRANSFER (usually via insurance or other contractual arrangement)
		•	1	2	3	4
			Minor	Moderate	Serious	Major
				IMP	ACT	

Risk Rating	Risk Appetite and Action
Green	Risks rated as GREEN are within the risk appetite of the Council. It is unlikely that further additional measures are required to control
	these risks. These risks may be tolerated by the Council.
Amber	Risks rated as AMBER are within the risk appetite of the Council, however further additional measures may be needed to treat (i.e.,
	control) the risks and so reduce exposure OR to consider risk <i>transfer</i> e.g., via insurance, franchising, or other contractual arrangement.
	The Council must be periodically advised of amber risks and the action planned and/or taken to control them.
Red	Risks rated as RED go beyond the risk appetite of the Council. Immediate action is required to bring the risk within the Council's risk
	appetite or, if this is not possible or desired, to <i>terminate</i> the activity that creates the risk. The Council must be immediately advised
	of red risks and regularly updated on the action planned and taken to control them until they are within the risk appetite of the Council.
	Any action taken must be in accordance with the Council's Standing Orders and Financial Regulations.

RISK ASSESSMENT REGISTER

Risks Identified	Impact	Likelihood	Risk rating	Controls in place	Additional controls required	Policies	Timeframe	Responsible officer/ Committee
FINANCE								
Loss of cash through dishonesty or theft	1	1		No cash handled by Council. No petty cash used. All payments made by online banking. Monthly Full Council review of all bank transactions; and quarterly reviews of the bank statements, corresponding reconciliation statements, cash book and balance sheet by the Finance Committee. Procedure included in the Financial Regulations. Insurance cover in place for Fidelity Guarantee to cover Members and Officers. Liaison with Police if necessary.	Review of Bank Mandate to ensure new Clerk's details are included and the former Clerk's details removed.	Financial Regs	January 2024 – when new Clerk is appointed.	Clerk/RFO + Finance Committee
Poor financial internal controls and records	2	2		Council accounts are managed by a CiLCA qualified Clerk/RFO who is trained to use the Rialtas Alpha Accounting Software. Expenditure is scrutinised by the Council and Finance Committee. Oversight by a competent, professional Internal Auditor twice yearly. Technical accounting support provided by Rialtas Accounting, who are qualified and specialise in local council accounts.	Ongoing training for the Clerk/RFO – to reflect the new Clerk's level of experience and qualifications.
