

PS/[25/01144/TPA](#) - 7 Oakfield, Plaistow, RH14 0QD

Crown reduce by 33% on 1 no. Oak tree (T5) subject to PS/71/00770/TPO.

This tree has been the subject of three applications in the last 20 years. In 2023 they applied to fell which we objected to and it was refused.

In 2004 there was a successful application to reduce the tree by 25%. In 2015 they applied for a reduction of 33% which again was successful.

The tree does overhand their property and the neighbours garden as well.

Normally I would prefer limiting crown reduction to 25% but given 33% was allowed in 2015 I can not see any logic to objecting as it will be reducing the tree to the pruning points from 2015.

Kind Regards

David
