

APPENDIX VI- Local Green Spaces

STATEMENT OF CONSULTATION

Analysis of Evidence from Consultations and Impact on Strategy Forming the NDP.

JANUARY TO MARCH 25

The Local Green Spaces Consultation produced feedback from 41 residents. The conclusions from the responses and assessment of fact from NP APPENDIX E feed into the NP LGS Policy.

Local Green Spaces Comments received and Feedback into NDP Policy LGS1.

1	In response to your request for opinions on green spaces within the parish, and which are particularly valued, I wholeheartedly support the list you present, and those for Plaistow in particular.		
3	If it's possible to nominate more than one space, I also feel the village green is a crucial part of village life, the children use the park regularly from the school & preschool & again it makes the village of Plaistow a classic British village which has heritage that we should be proud of & look after for future generations, keeping our rural village a tranquil area is so crucial.		
Plaistow Preschool Playground			Y
1	In response to your request for opinions on green spaces within the parish, and which are particularly valued, I wholeheartedly support the list you present, and those for Plaistow in particular. That is,		
4	I would like to nominate the Plaistow preschool outside space as my favourite green space that requires each protection from unwanted development. This is because it serves the community greatly both through the inactions that the preschool have and the amenities that the children attend get.		
5	"I want to nominate the playground in Plaistow and Kirdford preschool because it fits all the criteria: (a) in reasonably close proximity to the community it serves; (b) demonstrably special to a local community and holds a particular local significance, for example because of its beauty, historic significance, recreational value (including as a playing field), tranquillity or richness of its wildlife; and		

	(c) local in character and is not an extensive tract of land.”

2	What about The Lane and Ifold Bridge Lane in Ifold ? Do they qualify as green spaces? They are well used for walkers and horse riders for recreation and it is so incredibly wonderful to have this transition to woodland by foot, right on our doorstep. The area is outside the Ifold settlement boundary and should be protected permanently/for future generations as a biodiverse wildlife/wildflower sanctuary and fantastic resource for our community's well-being.		Does not conform as an extensive tract of land. The lane itself is not a Green Space and it is difficult to define the surrounding land that combines to provide the setting.
	Also what about the ancient woodland 'Corner Copse' on Foxbridge Lane? https://www.woodlandtrust.org.uk/visiting-woods/woods/corner-copse/ Yes it is under the Woodland Trust but surely it should be mentioned somewhere in the Parish Council listings, so that residents are aware of it's existence. Perhaps residents would be willing to support the Woodland Trust to ensure that this piece of land can be kept in perpetuity?		Does not conform as too remote from settlement area and it is already protected by the Woodland Trust
41	We think the list is very comprehensive and includes most of the best green spaces, thank you. Another space to consider is the very special area of ancient woodland between Quennels Farm and Rickmans		Does not conform as an extensive tract of land and it is protected by

	<p>Lane, Beggars Copse. Does it meet the criteria? Of course our favourites are the Plaistow Recreation Ground and Cox's Pond.</p>		<p>the Ancient Woodland designation</p>
1	<p>I would also like to suggest that the field behind Cox's Pond is also considered for protection, as it's instrumental in giving the pond the tranquillity that it has. As a member of the PVT, we are in the throes of reviewing the current Plaistow conservation area, and this field is a candidate for inclusion within the boundary.</p>		<p>Does not conform as it is an extensive tract of land.</p>
