Reference: 60128938- Q1 - New Village Play Area Equipment and Surfacing

Dear Paul,

Thank you for inviting me to provide you with a quotation for the installation of new play equipment into your village play space. Below we have highlighted our understanding of your requirements and our assumptions with regards to the installation.

eibe's Understanding of Your Requirement

We understand that your requirements are:

- Installation of new play equipment and relevant surfacing
- Installation of new exciting play equipment
- Pathway leading throughout play space
- New safer surfacing around equipment as required

Our Assumptions are:

- We assume good access to the site at the time of the install
- Further site visits needed by an eibe Play Project Manager

Our quotation includes the following works:

- All ground works associated with the play equipment installation
- All works included with safety surfacing installation
- All plant and welfare costs including machinery

Breakdown of costs:

- Play Unit Sam with Stainless Steel Slide - £10,834.20 plus vat and 10% delivery
- Stand Up Seesaw- £1019.70 plus vat and 10% delivery
- Paso Doble Trail- £3879.90 plus vat and 10% delivery
- Orcus Teen Spinner-£2755.80 plus vat and 10% delivery
- All bonded mulch safer surfacing- £12036.00 plus vat
- All Labour required- £3920 plus vat
- Plant Hire, Welfare, Concrete and Muck Away- £5499.78 plus vat

Added Extras:

- Sponsorship of grand opening event
- Increased guarantee on equipment to 12 years
- Maintenance training workshop
- Quarterly visual inspections and reports for the first two years

We are pleased to provide you with a competitive price of £39,945.38 for this fantastic play equipment installation which includes all installation of our play equipment and surfacing. We have been able to secure up to 15% discount on this scheme.

I and my colleagues here at eibe Play, are really looking forward to working alongside you on this project, and look forward to seeing you all again in due course.

Yours Sincerely,

Stuart Evans
